Please note that the following courses run as part of enrichment week but have already completed the sign-up process and therefore will not appear on ParentPay as an option to sign up to:

- *Drama: London Theatre Experience*
- *Madrid 2024*
- *Year 8 Camp*
- *Duke of Edinburgh*

Dear Parent / Carers,

I am pleased to launch this year's Enrichment Week commencing on 17th July and finishing on 19th July. We are delighted to be offering students a wide range of activities that will allow them to work with students they do not usually work with in a different environment over an extended period of time.

Within this booklet you will find details of all the courses being offered this year, including the year group they are on offer to and their costs. The PP cost is also shown, this is the cost for students who receive Pupil Premium funding support. Families can check if they are eligible for PP support with respective Year Leadership staff.

Please read this booklet together with your child and examine the course details carefully. This will help to ensure your child selects a course that is appropriate to their interests and in turn make the enrichment week as enjoyable and successful as possible for them and the other students involved. We also ask that students consider the areas of personal skills they want to develop when selecting their course. It is very important that your child selects a course that you have already approved with them at home to avoid further disappointment down the line.

Please note that the sign-up process is different from previous years, and this is outlined below:

Next steps:

- Review the activities with your child online (hard copies are available in school if required). This is found on the school website at www.ratton.co.uk/enrichment and will be sent home via Edulink.
- Enrichment 2024 booking will open on **ParentPay** on **Friday 3rd May at 5pm**
- Course bookings will work on a first come first served basis so please complete the booking process as soon as possible to avoid disappointment.
- Full payment/deposits are required at the point of sign up.
- You will receive a confirmation **from ParentPay** via email when the sign up has been completed.
- Any payment schedules (where applicable) will also be visible on ParentPay.

Please check you have access to ParentPay beforehand. Any issues should be emailed to finance@ratton.co.uk

Thank you for your support with this - we sincerely hope everyone has a fantastic and memorable experience.

Kind regards,
Mr R Kearsey
enrichment@ratton.co.uk

Areas for Personal Development

Please think about the areas you want to develop skills in as you select your chosen activity. You may want to build on areas you developed last year, or you may want to challenge yourself in a different way. All of these are skills that employers look for when they are recruiting staff.

Students will...

- Have the opportunity to use their imagination and/or be creative
- Have the opportunity to reflect on their experiences
- Have to manage their time, resources and actions to ensure positive outcomes
- Have the opportunity to express their views to others
- Have the opportunity to appreciate the views of others
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to explore different cultural influences and styles
- Have the opportunity to work and socialise with students they have not met before
- Have the opportunity to plan their own learning of research
- Experience a sense of enjoyment and fascination in learning.

Pupil Premium - An Explanation

As you read through the booklet, you will notice that the courses have different costs for students who are eligible for the Pupil Premium grant. As with all trips during the school year, Pupil Premium funding is used to subsidise activities, reducing the cost for disadvantaged students. This allows students to access opportunities that they might not otherwise have the chance to be involved in.

Each course has been given a percentage subsidy and this differs between each course as this is based on the relative benefit of each activity. For example, a course which has more potential to benefit a child's academic achievement or personal development will receive a higher subsidy than other, less academic, courses.

Art and Animals

Cost:
£40

PP Cost:
£30

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Effort
Creativity

Course outline:

This course is designed for students with a love of either Art and/or Textiles.

Day 1: Trip to Port Lympne Zoo to draw animals and go on the safari experience! Here we will gain inspiration from a range of exotic animals ready to bring back to the art rooms and experiment with a range of art and textiles techniques.

Day 2: Group 1 will explore animal features and patterns using a range of mixed media techniques in Art. Group 2 will explore a range of techniques using materials in textiles.

Day 3: The groups will switch so group 1 will experiment using a range of textiles techniques and group 2 will explore using a mixed media art techniques.

Personal development and extended learning opportunities:

- Have the opportunity to use their imagination and/or be creative
- Have to manage their time, resources and actions to ensure positive outcomes
- Have the opportunity to work collaboratively
- Have the opportunity to explore different cultural influences and styles
- Have the opportunity to work and socialise with students they have not met before
- Have the opportunity to plan their own learning of research
- Experience a sense of enjoyment and fascination in learning.

Board Games and Chess

Cost:

Teamwork

Course outline:

Want to try your hand at board games?

Come and take part in all manner of tasks, from terraforming a planet to building an empire. Learn how to play boards where you have to work together against the board or compete against each other for victory. Over the three days you can have a go at each board game, learn the rules and play a few rounds, make new friends and have an enjoyable, relaxed time. Enjoy board game classics such as Monopoly and Scrabble, along with more modern games such as Terraforming Mars and Pandemic.

Owing to the complexity of some board games, Years 8 and 9 only.

Personal development and extended learning opportunities:

- Have the opportunity to use their imagination and/or be creative
- Have the opportunity to reflect on their experiences
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to work and socialise with students they have not met before
- Have the opportunity to plan their own learning of research
- Experience a sense of enjoyment and fascination in learning.

Boxing Academy

Cost:
£50

PP Cost:
£35

Yr 7 Yr 8
Yr 9

Respect

Course outline:

In this course, students undertake boxing sessions focussed on fun games and boxing skill activities - learning how to punch, move, block and defend.

There will be individual, partner and team activities and lots of "pad work" where one student holds his/her gloves up for the other to punch.

Although there is no need to be very fit, students will be active throughout the sessions with use of skipping ropes, bean bags and balloons too.

Although we will be based at Eastbourne Boxing Club, we have planned for students to have an opportunity to visit another boxing gym in Brighton and also have a day with a regional champion heavy weight boxer.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to work and socialise with students they have not met before
- Experience a sense of enjoyment and fascination in learning.

Buzz Active Watersports

Cost:
£105

PP Cost:
£65

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Effort
Teamwork

Course outline:

We will be out on the water in the fresh air by the sea at the Buzz Watersports centre, easily accessible by public transport and we will be meeting here. We will be racing on the seas, sailing, paddleboarding, raft making, windsurfing across the waves building up our skills and confidence in these activities. You need to be a team player, working with each other looking after each other out on the water and bringing in the equipment. You will be provided with the opportunity to experience these new activities, or if you're lucky enough to have tried them already practice and develop your skills. You'll be joining a team and experience days of fun, laughter, adventure and time together to meet and make new experiences and new friends.

Students will be required to meet at the activity venue

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to work and socialise with students they have not met before
- Experience a sense of enjoyment and fascination in learning.

Buzz Active Outdoor Experiences

Cost:
£105

PP Cost:
£65

Yr 7 Yr 8
Yr 9

Residential

Teamwork

Course outline:

This course will provide students with a wide range of activities in two locations over the three days. Students will experience activities which may even inspire them to take one up as a hobby.

Day 1 & 2

Students will be at Bushy Wood Activity Centre and undertake fun and interactive activities such as camp fire making, climbing, high ropes, crate stack, rifle shooting and much more.

Day 3

On the final day, students will go to Cuckmere and engage in fun activities on the water such as kayaks, raft building and paddle boarding.

Students will be required to make their own way to the activity venues

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to work and socialise with students they have not met before
- Experience a sense of enjoyment and fascination in learning.

DJ Skills

Creativity

Course outline:

An introduction to mixing music (DJ).

Over 3 days students will get the opportunity to explore the basics of mixing music. Students will be set goals for each day and provided with resources and opportunity to explore their own style of music mixing, prepare a set of music of their own and ultimately play that set of music live to all on the final day.

If playing to a crowd excites you and music is your passion, even if you haven't learnt a musical instrument, then this is the course for you.

Personal development and extended learning opportunities:

- Have the opportunity to use their imagination and/or be creative
- Have the opportunity to work collaboratively
- Have the opportunity to explore different cultural influences and styles
- Have the opportunity to work and socialise with students they have not met before
- Experience a sense of enjoyment and fascination in learning.

Course outline:

The purpose of the Football Academy enrichment course is to provide students with experiences of high quality coaching and skill development, alongside opportunities to visit some of the most impressive facilities that world football can offer.

During the week, students will;

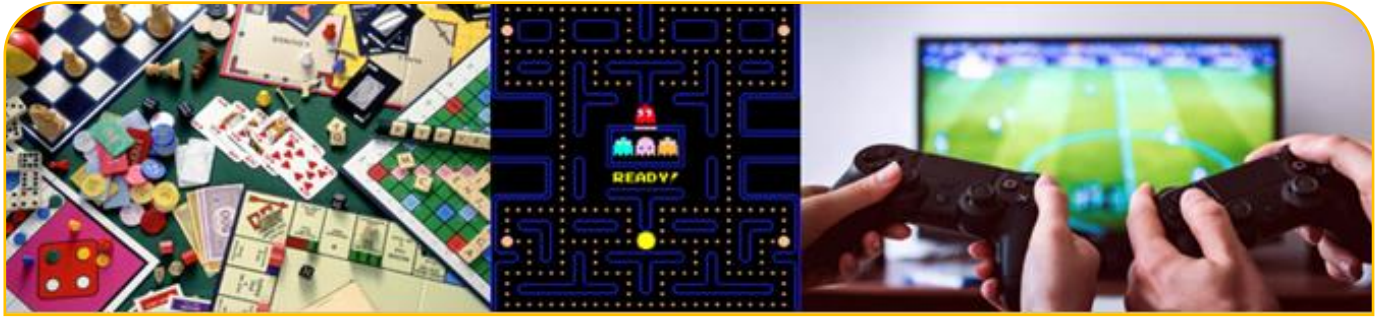

- Have football coaching from Brighton and Hove Albion Foundation coaches
- Play in a tournament
- Visit the AMEX with a stadium tour
- There may also be an opportunity to have a Q&A with some of the current Brighton and Hove Albion players.

It is important to stress that this is open to boys and girls.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences
- Have the opportunity to express their views to others
- Have the opportunity to appreciate the views of others
- Have the opportunity to lead others
- Have the opportunity to work and socialise with students they have not met before.

Course outline:

This course looks at games - old and new.

Students will start the course by playing classic games, including board games, that have played a major role in popular culture over the years. Students will then move on to playing retro computer games and will be looking at games that started moving into the realm of multiplayer. Finally, students will move on to computer games from the modern day and engage in multiplayer games and tournaments.

This year will also feature a game of Dungeons and Dragon with a story created exclusively for this week.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences
- Have the opportunity to work collaboratively
- Have the opportunity to explore different cultural influences and styles
- Have the opportunity to work and socialise with students they have not met before
- Experience a sense of enjoyment and fascination in learning.

Course outline:

Students will have an opportunity to explore a range of hand crafting techniques including:

- Knitting - learn to knit and make a hat by the end of the three days.
- Crochet - learn to use simple stitches
- Pom poms - created from wool, these can be used as finishing touches
- Hand sewing/embroidery - to finish items and embellish others.

Students will have an opportunity to combine skills and, if more experienced, can learn how to follow a pattern to make another small item (cupcakes, jellyfish, panda...).

Personal development and extended learning opportunities:

- Have the opportunity to develop new skills, which will apply to lots of creative outputs
- Have the opportunity to plan their own project, however they like, and see it through from start to finish
- Experience a sense of enjoyment and satisfaction in producing a completely unique project.

Effort

Course outline:

Day 1 - Mixed media. You will use mixed media techniques to make and decorate a square MDF box and lid. You will add texture and pre-cut shapes before adding a layer of powertex to make the decoration more hardwearing. The box will then be decorated with acrylic paint and dry brushing techniques (look at the guitar in room 217 to see similar mixed media effects with powertex).

Day 2 - Journal making. You will be making a journal from scratch using greyboard and patterned paper. The journal will contain pocket sleeves made from envelopes and hold an A6 paper pad. Once completed the pocket sleeves will be decorated with patterned paper and additional printed designs. You will learn how to create a professional look!

Day 3 - Mini folded book. You will create a folded book using card that will be attached to a hard cover. You will make your own front and back cover design with water colour paper, coffee filters, crayola pens and a bit of zentangle thrown in!

If you like to make things and enjoy being creative this is the course for you!

Personal development and extended learning opportunities:

- Have the opportunity to use your imagination and/or be creative through creating a range of products
- Have the opportunity to use the items created and add notes and artwork to the mini book and journal
- Have to manage their time, resources and actions to ensure positive outcomes to ensure that you are proud of their finished pieces.

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Respect
Effort

Course outline:

This is perfect for students who have a love of the outdoors and exploring the countryside. Students will be challenged to hike 50km in just 3 days, starting from Brighton and finishing at Ratton School on the final day. Tough climbs will be rewarded with stunning views of the South Downs and its surrounding human and physical landscapes.

Students will complete the hike in three stages with return transport from Ratton each morning and evening from the start and end points.

NB: The cost for this course is used to cover transport to the start point each day.

Personal development and extended learning opportunities:

- Students will have the opportunity to develop **resilience** as they overcome the challenges of three full days' hiking over sometimes difficult terrain.
- New friends can be made as they work as a **team** with students they may not have met before as they all help **motivate** each other to complete the challenge.
- Students will have the opportunity to experience the sense of freedom gained from outdoor learning and the enjoyment of nature as they are immersed in the beautiful South Down landscapes right on our doorstep.

Taskmaster at Ratton

Teamwork

Course outline:

Heard of all the traditional card games but don't know how to play any of them? Want to improve your skills to outwit your friends and family?

Over the three days you will learn how to play the most famous card games played with a standard deck of playing cards. This includes games such as Rummy, Hearts, Poker, Whist, Cheat, Spades, Cribbage and many more! If you already know how to play, you can come along and play against others to become an even stronger player.

There will even be a prize for the best player at the end of the course! All you need to bring is your intellect, wits, courage, and a competitive streak!

Personal development and extended learning opportunities:

- Students will have the opportunity to learn new skills and activities and improve their reasoning, mathematical and problem-solving skills
- Students will improve their social skills through meeting new people, making new friends and working as a team
- Students will be able to be inventive, creative, and strategic. The course encourages critical-thinking and innovation.

Tennis Academy

Cost:
£40

PP Cost:
£30

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Effort
Teamwork

Course outline:

If you have enjoyed tennis during your regular PE lessons, or would like to start learning the sport, then this is the opportunity to improve your tennis skills.

Over three days, expert guidance will be provided by local coach Craig Wells, who will deliver a range of activities to improve your hitting, fitness, tactical thinking and understanding of the rules. Craig has years of experience with all age groups and is always full of enthusiasm and encouragement, as well as helpful tips.

Personal development and extended learning opportunities:

- Have the opportunity to develop their understanding of a sport of which they may have only limited experience
- Have the opportunity to develop their fitness as part of a healthy lifestyle
- Have the opportunity to work collaboratively
- Have the opportunity to coach and lead others
- Have the opportunity to work and socialise with students they have not met before.

VR World Building

Cost:
FREE

PP Cost:
FREE

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Rattou Virtues:
Effort
Teamwork

Course outline:

The purpose of the VR World Building activity is to allow students to build their very own virtual world in Blender and then explore it using a VR headset

During the week, students will:

Day 1 & 2

- Use Blender to build assets for their virtual world
- Use pre built assets as well as their own to build

Day 3

- Make any final adjustments to their virtual worlds
- Explore their worlds in VR in a showcase

Personal development and extended learning opportunities:

- Explore how video game levels are built
- Develop and apply their creative minds
- Understand the proper use of 3D modelling techniques.

Year 8 Camp

Cost:
£275

PP Cost:
£165

Yr 7 Yr 8
Yr 9

Residential
Daily

Top 2 Ratton Virtues:
Teamwork
Effort

Course outline:

Students who are already committed to Year 8 camp do **not** need to select any other course and this will be their enrichment activity.

This is still time for students to register their interest in Year 8 camp if they wish to do so.

The sign up from this course has already occurred. Please see Mr Brooke for potential reserve spaces.

Personal development and extended learning opportunities:

- Have the opportunity to reflect on their experiences
- Have to manage their time, resources and actions to ensure positive outcomes
- Have the opportunity to lead others
- Have the opportunity to work collaboratively
- Have the opportunity to work and socialise with students they have not met before.
