## WHY IS IT IMPORTANT?

### ABSENCE FROM SCHOOL

Children are required by law to attend school 190 days per year. The Government states that every pupil's attendance should be at least 95%.

How do YOU measure up?

## YEAR 10 WORK EXPERIENCE

Wed 17th – Fri 19th July 2024

# YEAR 10 WORK EXPERIENCE 2024

17th – 19th July 2024

Every student in year 10 will have the opportunity to do Work Experience during the enrichment days at the end of the summer term.

There are two choices:

- Face to face traditional work experience placement at a local business
- Virtual work experience, working from home two days and one day in school

# WHAT HAPPENED THIS YEAR

## YEAR 10 WORK EXPERIENCE 18<sup>th</sup> – 20<sup>th</sup> JULY 2023

In July 2023 76% of Year 10 students took part in face to face WEX

Students engaged with their placements in a wide range of sectors including: leisure, sport & tourism, hospitality, construction, engineering, retail, arts, education, healthcare, business, veterinary & animal, performing arts, aerospace & defense, languages & culture, transport & logistics, social work & counselling, computers & IT

# YEAR 10 WORK EXPERIENCE

17th – 19th July 2024

Work Experience is the opportunity to:

- Experience the world of work
- Learn new skills
- Meet new people
- Increase your work-related skills
- Obtain a reference
- Potentially be offered a job/training

# YEAR 10 WORK EXPERIENCE 2024

## How do you get a placement?

- There are over 200 students in year 10 and it is not possible for us to find that many placements, so we need you to find a placement for yourself.
- Mrs Hylands will be able to help a few people to find a placement, for this you will need to talk to her about what you would be interested in

# YEAR 10 WORK EXPERIENCE 2024

## Finding an employer

Once you have decided what you would like to do for work experience, you will then need to try and find an employer.

Below are some ways that could help:

- Ask family and friends
- Contact employers that you know of
- Use the internet to search for employers in the sector you are interested in

# YEAR 10 WORK EXPERIENCE 2024

## COST

As a school we have to pay to use the work experience service run by the County Council, unfortunately we have to pass this cost on to you.

Before we can sign you up to the database we will require payment of **£17** via **parent pay**, if you plan to undertake a placement out of the area there is likely to be an added fee for the checks to be completed

## THE ASPIRE DATABASE

Once you have arranged your placement and have paid the £17, we will then provide you with login details for the Aspire database, you will need to provide details of your employer on here

# YEAR 10 WORK EXPERIENCE 2024

## What happens if I don't find a placement?

Not everyone will be able to find an appropriate placement, so we have bought a virtual work experience package that you can use at home

# YEAR 10 WORK EXPERIENCE 2024

## VIRTUAL WORK EXPERIENCE

All students who do not do face to face WEX will be given access to the Virtual Work Experience Programme.

The programme contains over 80 videos from a large range of sectors.

Students will be expected to complete one standard and one extended virtual experience.

Each experience consists of watching a video and then completing a task.

The extended task is a research task which is then submitted to the VWEX company who will assess the work and award certificates for excellent work!

Virtual Work Experience is to be completed at home for two of the three days, all students will be given one day in school so that they are supported with the work.

# YEAR 10 WORK EXPERIENCE 2024

## Deadlines

The deadline to pay for WEX is  
**Friday 1st December**

The deadline to find your own placement and  
submit the details onto the Aspire Database is  
**Friday 12th January 2024**
